SUBJECT: Police Employees' Pension Board

Ordinance 94-40 regulates the Police Employees' Pension Board and provides for two year terms for each of its members. These terms are set to expire at the end of December 1999 and if appointments are not made, meetings beginning in January cannot be held. The actively participating pension members held their election and Captain Edward Taylor and Sergeant James Moyer were elected for a two year term.

As provided by Ordinance 94-40, Article 9(b), two members must be appointed to this Board by the Town Council by open nominations. Since this is a statutorily created board, the appointing authority should select, from among the best-qualified persons, minority representation to accurately reflect that population of the area represented by the board, insofar as possible, pursuant to FSS 760.80. Current Council appointments are as follows:

<u>Member</u>	<u>Absences</u>
James N. Bush (appt'd 9/98)	1
Sid Waldfogel (appt'd 10/96)	0

Please note that the Board has held eighteen (18) meetings during its current term and that none of the abovementioned members have abstained from voting.

Please be reminded that pursuant to FSS 112.3145(7), appointing officials (Council) shall notify each newly appointed officer (which is defined to include appointees to a board) of his/her duty to comply with disclosure requirements prior to the date of the appointment.

It would be appreciated if you could place these appointments on the Town Council agenda at your earliest convenience.

SUBJECT: Appointments to the Police Pension Board

Section 760.80 of the Florida Statutes requires that statutorily created decision making or regulatory boards select, from among the best-qualified persons, those persons whose appointment would ensure that the membership of the board accurately reflects the proportion of each group of the area's minority population represented by the board. Section 760.80 also requires that the board's membership be determined by the most recent federal decennial census which is as follows:

<u>Minority Groups</u>	<u>1990 Census Percentage</u>
African American	3.7%
Hispanic American	10%
Asian American	1.7%
Native American	.2%
American Women	51%

When appointing members to this board, the appointing authority should give weight to the above minority groups.
